- VI. FLOOR PLAN**

## **I. REGISTRATION & APPOINTMENT SCHEDULING**

- A. Patients may schedule for a COVID-19 test by registering for an appointment at [www.guamcovid.com](http://www.guamcovid.com)
- B. Appointments can be made at the designated testing center with times TBD weekly / or at AMC's Medical Health Service Kiosk between 11:00 am - 4:00 pm on weekdays (holidays excluded).
- C. Walk-ins
  - 1. QR Codes will be available to scan for patients to register for walk-in testing

## **II. CHECK-IN**

- A. Patient will check-in with registration clerk on-site and present a valid form of photo identification
- B. Patient will be given a binax card with their name written on the card
- C. Patient will proceed to the sample collection station

## **III. SAMPLE COLLECTION**

- A. Patient will approach specimen collection table and self-swab
- B. Assistive Medical personnel will monitor the process and ensure the specimen is thoroughly collected
- C. Patient will wait 10-15 minutes for their result

## **IV. RESULT DETERMINATION**

- A. If negative, the patient will be free to leave the designated testing area
- B. If positive, the patient will be swabbed with a confirmatory ABBOT ID NOW test
  - 1. If ABBOT ID NOW is found to be positive, the patient will be instructed to self-isolate and quarantine for 14 days

2. Employer will be notified of positive result

**V. DELIVER PROOF OF NEGATIVE RESULT**

A. A digital copy of test results will be sent to each patient via email

1. Physical copies of test results can be given upon request and can be picked up at

AMC's Medical Health Service Kiosk

**VI. FLOOR PLAN (DESIGNATED BALLROOM SETTING)**
