

GIAA's Efforts in Tourism Recovery **GHRA / GTTA / JGTA Tourism Forum**

December 16, 2024

Artemio “Ricky” Hernandez, Ph.D.
Deputy Executive Manager

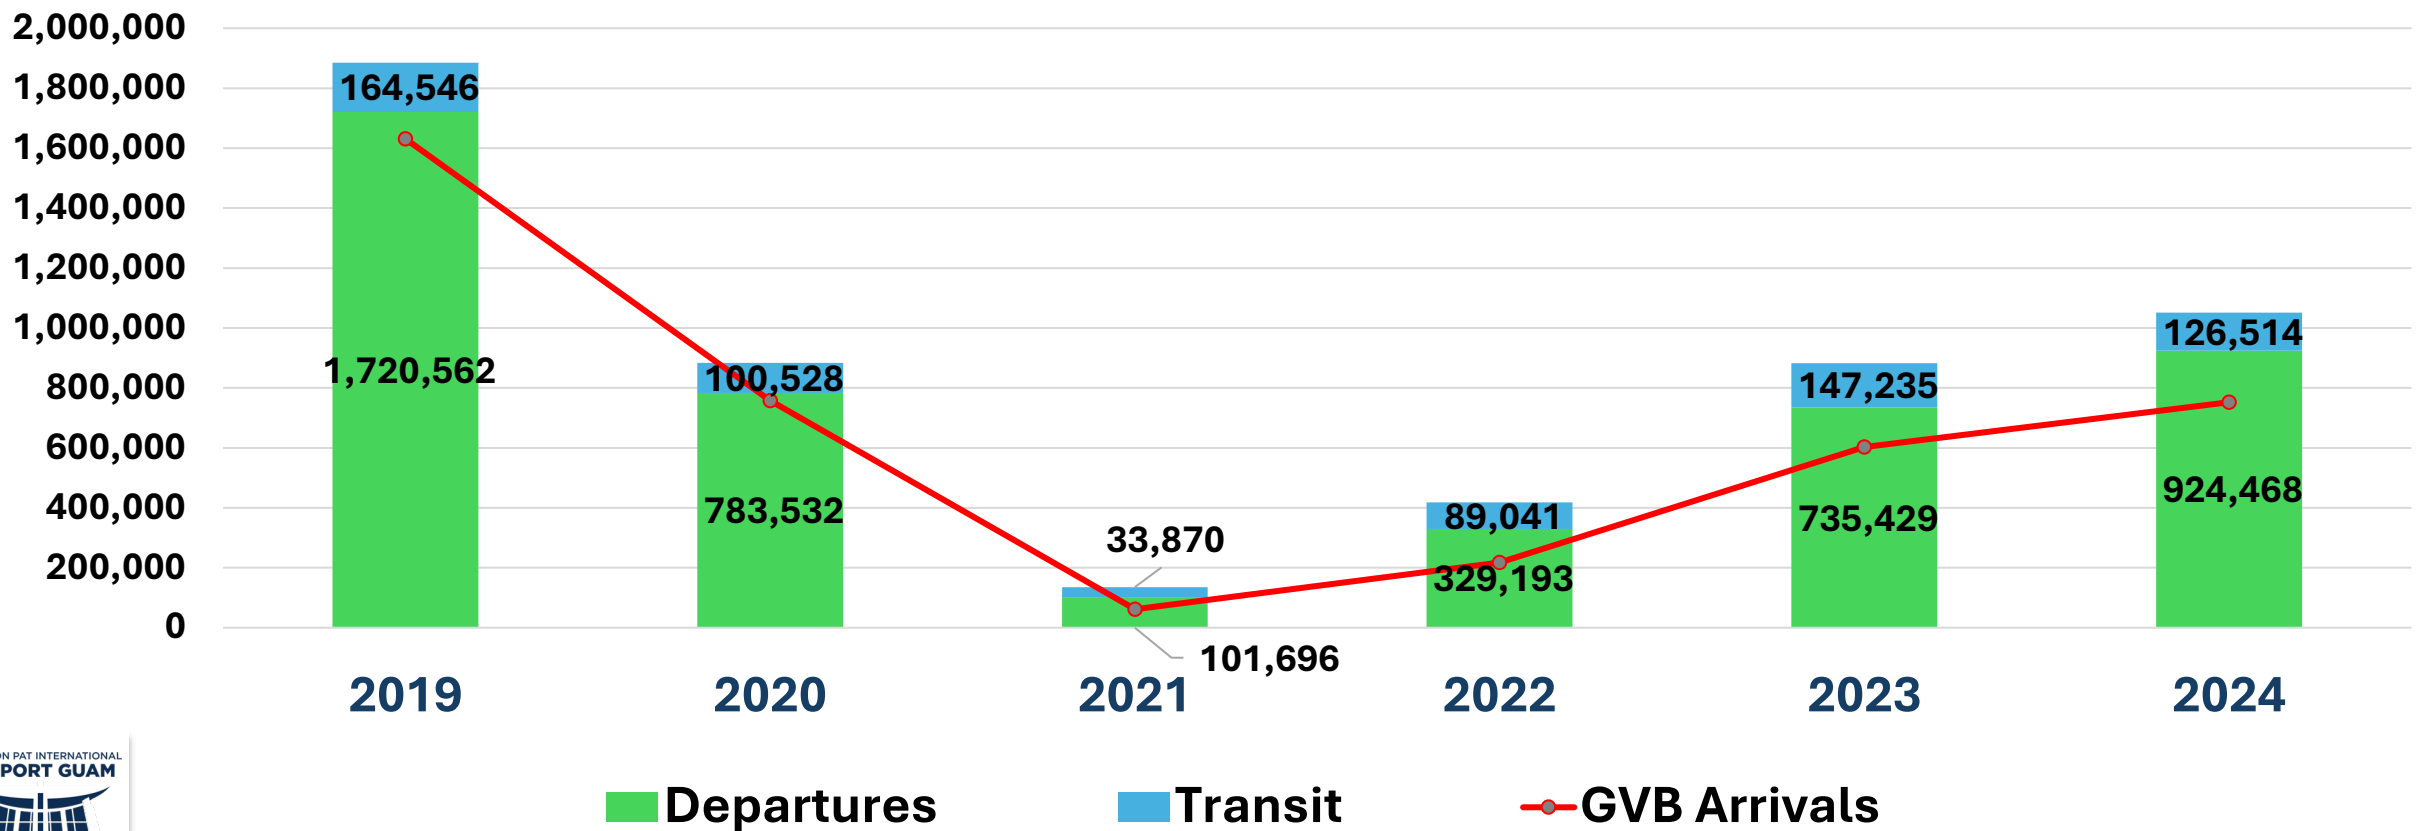

A.B. WON PAT INTERNATIONAL
AIRPORT GUAM

STATE OF THE INDUSTRY

We understand the struggle...

ENPLANED PASSENGER ACTIVITY

Provide a Safe and Secure Travel Experience

Stands Ready for Pre-Pandemic Travel Volume

- **Passenger Processing Experience Enhancements**

- TSA Security Screening Expansion and Screening Equipment Upgrades
- First in Region to Implement Biometric Exit for International Departures (USCBP Requirement)
- Worked with Current Concessions for Short-Term Extensions Authorized by the Guam Law to Reinvest and Refresh Offerings
- Airport Ambassadors Program Upon Arrival
- Digitized Guam/CNMI Visa Waiver (USCBP) and Customs Declaration Forms (CQA/GVB)
- Completed Numerous Capital Improvement Projects including the International Arrivals Corridor

Air Service Development

- Enhanced the Air Service Development Incentive Program in Accordance with FAA Requirements
- Continued Pursuit of New and Increased Air Service through Discussions with New and Existing Airline Operators

Terminal Flooring Upgrade and Arrivals Refresh

- Repair and Replace over 106,000 Square Feet of Flooring
- Over 70,000 Square Feet of **Terrazzo** in Immigration and Customs Halls
- Contract Awarded, Notice to Proceed Issued, Start to See Repairs Soon

What We Want/Plan To Do

- **Diversify Revenues: Increase Non-Aeronautical Revenues**
 - Enhance and Add Concession Services and Offerings:
 - Retail, Food and Beverage, Rental Car, Advertising, Parking, Currency Exchange, Passenger Lounge, etc.
 - Secure Long-Term Leases for Available Property for Airport Uses to Grow Airport Services and Attract New Industries
 - Public Private Partnerships
 - Cargo Facility, Parking Garage, Maintenance, Repair, and Overhaul (MRO) Facilities, Distribution Centers
- **Continue Pursuit of Federal Funds for Capital Improvement Projects**
 - Upgrade Conveyance Systems, Increase Security Screening Queuing Area, Replace Passenger Loading Bridges, Construct Cargo Apron, Support DPW's Route 10A Expansion Project, and more

We Need Your Support!

- **GIAA Needs to Update Guam Law to:**
 - Be Granted Authority to Promulgate Rules and Regulations for the Solicitation, Selection, and Award of Concession Agreements
 - Lease Airport Properties Up to 30 years for Airport Uses
